The applicant is requesting a second six-month extension to submit recording maps in accordance with Section 19.08.060.H (*a six-month extension to submit the recording plat may be granted by the City Plan Commission in the event that a delay is caused by action of the City, a public utility, or other governmental entity*) for Mission Ridge Unit Nine as the County of El Paso will only approve the final plat for filing after all subdivision improvements have been constructed and accepted by the County of El Paso.

CASE HISTORY

The City Plan Commission approved Mission Ridge Unit Nine on a Major Final basis on April 5, 2012, with the following modifications:

- To allow for a 76-foot right-of-way with 44 feet of pavement, a 12-foot landscaped median, with 5-foot parkways, and 5-foot sidewalks along Emerald Park Drive.
- To allow for a 52-foot right-of-way with 32 feet of pavement and 5-foot parkways, and 5-foot sidewalks as in the current subdivision code.

On October 4, 2012, the City Plan Commission approved a six-month extension to submit recording maps for Mission Ridge Unit9. The extension was based on the County's requirement to have the subdivision improvements completed prior to recording of the plat. This extension is valid until April 5, 2013.

CURRENT REQUEST

The applicant is now requesting a second six-month extension to submit recording maps based on the County's requirement to have the subdivision improvements completed prior to recording of the plat. Below is information provided by the applicant:

- The estimated date of completion in June of 2013.
- The pending public improvements are the drainage infrastructure, water system, wastewater system and street improvements, traffic signage and street name signs.

DEVELOPMENT COORDINATING COMMITTEE COMMENTS:

The Development Coordinating Committee recommends *approval* of a second six month extension requested for Mission Ridge Unit Nine to submit recording maps in accordance with Section 19.28.060.H. - Submission for Recording of the former Subdivision Ordinance, as the delay is being caused by the El Paso County, a governmental entity.

If approved, the extension will be valid until **October 5, 2013**. Failure to submit the recording maps by the expiration date of the extension will necessitate the resubmittal of the subdivision.

Planning Division Recommendation
